

The Power of Three

One Look And You'll Be Hooked

The Multilift Hooklift system is based on an innovative sliding hook mechanism that allows you to mount and demount faster and easier than ever before possible. It's a safer, more reliable, efficient and trouble free way to get the job done right.

And at the end of the day, isn't that what it's really all about.

Multilift at Atlas Polar ...Putting it to work on your job site is easy.
