

CONTINENTAL COMES TO CALGARY

Now only the birds fly south for less.

And now you can take advantage of Continentals great introductory seat sale, with super low fare prices on every seat, every flight, Monday thru Thursday.

As of March 1, Continental Airlines starts to services the city of Calgary.

(Edmonton and Calgary as of April 1)

And with Continental's arrival comes a whole new way to travel to Texas and points beyond. vbecaue youll find that Continental's unrestricted fares can save you up to 40% over other airlines.

And our great low air everyday fare prices are complimented by the best inflight services you'll find anywhere.

It all adds up to one very simple thing.: Continental is the most economical way to fly south from Calgary in style

Unless, of course, you happen to own your own personal set of wings.

Call Continental at 1-800 525-0200 or your travel agent to take advantage of our super low march seat fares.
