There's a very distinctive reason
why meals are highly
anticipated at Village Park.

Next to the high quality of care we provide,
our residents and their families
just love our Primrose Dining Room.

It's one of the many distinctive touches
that sets Village Park apart, and makes
us a great place to live...and dine.

We're the perfect size
to make each of our residents
feel right at home.

With only 51 resident rooms,
Village Park is small enough to provide
outstanding personalized care.

But we're also big enough to have an excellent
selection of programs. You might say we're just
the right size for your loved one.

Our 'smaller' size allows
us to be 'bigger' when it comes
to taking care of individual needs.

One of the key advantages of our relatively
small size is the individualized attention each
and every one of our residents receives.

With programs and services customized
to their individual needs, your loved one
is always in good hands at Village Park.
