

Making sure
our clients
receive just
compensation
for their injury
isn't just a job
for us...

it's a mission.

People who have suffered a serious injury face a long and winding road – one which demands intense concentration and effort to make it through.

But when you have a personal injury law firm in your corner who has been helping people for more than 70 years, obtaining just compensation for your injury is just one less thing to worry about.

We're Thomson, Rogers and we are recognized as leaders in personal injury law. This recognition is a direct result of the exceptional results we are consistently able to achieve for our clients and the support our lawyers provide along the way.

Our consultations are free to anyone who has suffered a serious injury. Here we will help you understand your rights in a clear and straightforward way and how we put our skilled hands to work on your behalf.

At Thomson, Rogers, our expertise in helping achieve just levels of compensation for our clients is a responsibility which we take very seriously. It's much more than just a job.

It's a mission...to help you make it through.
